BOX HILL Golden Jubilee Year

Box Hill Soccer Club this year celebrates its 50th year of competition as an affiliated club of the Victorian Soccer Federation.

The club was formed in 1922 by a group of British migrants working in the orchards that then surrounded the small township of Box Hill. The first ground was situated in an orchard in Dorking Road which at that time ran from Box Hill to Doncaster.

The club grew in strength during the twenties and soon became a formidable force in Victorian soccer although honours always seemed to elude them.

The arrival of the Fox family from Ireland heralded a new era for the club during the thirties, and it was the stability the members of this family built into the club that established the sound foundation the present set-up exists upon.

After 26 years of existence the club won its first overdue championship in 1948, and it was not until 1961 that the club were finally relegated to the Metropolitan League to establish an unequalled record of 39 years in the top league of Victorian soccer.

The club, however, were traditional fighters and unlike the majority of clubs that have fallen by the wayside after dropping out of the top division, they re-established themselves and won their way back into the State League in 1968. The stay however was short-lived and they fell back into the Metropolitan League the next year. In 1970 they proved too strong for their Metro-

politan League rivals and again took out the championship to return to the State League. Determined not to repeat the miserable performances of 1969, the club set to and achieved their prime aim to establish themselves in the top division.

1972 we hope will herald a new era for Australian soccer and Box Hill will be striving towards establishing the game throughout the Victorian community. The club will provide spectators at Wembley Park some long overdue amenities, the most significant being a 400-seater grandstand. The club have ambitious plans for their Wembley Park ground and within the next five years the facelift should establish it as one of the top soccer venues in the State.

The new committee have pledged to the members that 1972 will be a Golden Year for the club. New President, David Quayle, has been with the club for many years and many will remember him as the big centre half with the Hillmans line-up in the late fifties and early sixties. Secretary Terry Clarke has only been in Australia a short while but he brings with him extensive experience from England's professional set-up where he was connected with 2nd Division Queens Park Rangers for several years. These men receive full support from a very active committee most of whom have been players with the club at some time. This set-up is rather unique throughout soccer circles in Australia and the club attributes the tremendous club spirit at Box Hill to the fact that everyone including players are encouraged to assist in all facets of the club's activities.

It's a nice feeling to have a second savings account

Money has a habit of slipping through the fingers, even when it's in a bank account. You put money into your savings account and withdraw it as you need it. And so it goes. Unfortunately so goes your savings resolution, too.

The thing to do is open another savings account - a Special Purpose Account - and use this account to save for the special things you want in life. It's a simple system that has worked for a lot of our customers. And it could be working for you, too.

Another easy way to save is the A.N.Z. Christmas Club. Regular deposits of \$1, \$2, or \$5 during the year will give you extra spending money for Christmas.

The England Tour:

This F.A. of England XI team, noticeably lacking in real "name" players, proved far too tough a combination for any side in Australia. In fact in terms of match results this tour is amongst the most successful ever undertaken by a European side.

The tourists could certainly not be described as a glamorous side and lacked the drawing power of former visitors, but the sheer professionalism they displayed on the field was supreme and demonstrated the depth of talent in the English Leagues.

The game against the Victorian State team was described as "the best game in years by a touring side". Certainly Victoria did well and young local boy Johnny Wallace became the first player to pierce the English defence and score. Mike Keen, who scored two goals for the F.A. had a great game and the tourists' win was mainly due to his inspiration.

THE BILL FLEMING MEDAL **for the Soccer Player of the Year**

A panel of leading Victorian soccer journalists voted Jimmy Pyrgolios the Soccer Player of the Year at a poll held at the beginning of October.

The award replaced the previous award known as the Bill Fleming Medal for the Best and Fairest.

Jimmy Pyrgolios joined South Melbourne Hellas in 1963 and figured prominently in the hat trick of Championships that came to his club in the years 1964-65-66. Jimmy formerly played with the Greek side, Pathaniakios.

One of the key players in this season's Hellas side, Jimmy has given consistent performances that have been justly rewarded by this first award of The Bill Fleming Medal to be made under the new rules.

Frank Micic, veteran Footscray JUST star, who has twice won the previous medal came second, with Croatia's link man Jimmy Mackay in third place.

STATE LEAGUE CUP, 1971

Melbourne, which fought out last season's Cup Final with Juventus could find none of its early season form and became the only team ever to fail to score in the "final four" competition.

Footscray, who so brilliantly won the State League Championship also failed to find its best form until too late. Losing the first round to arch-rivals Croatia, Footscray came back late in the second round game against South Melbourne Hellas to snatch an equaliser through a typical opportunist goal by Dan Zoraja.

Dan Zoraja scored a personal triumph in Footscray's final game against the luckless Melbourne scoring a "hat-trick". Footscray ran out comfortable winners, but Hellas foiled hopes of a place in the final by thrashing Croatia decisively 5-1.

Both South Melbourne and Croatia fully deserved the right to a Cup Final berth and were all tensed up ready to do battle on Sunday 7th November when down came the rain. Torrential thunderstorms ruined all prospects of play as Olympic Park slowly submerged under the downpour.

The Final was eventually played on Sunday the 14th November when Croatia defeated South Melbourne Hellas 3-2 in a keenly fought game.

STATE LEAGUE MERIT TABLE

This table examines the records of all sides that have competed in the State League since its inception.

By rating the sides according to the percentage points they have won we arrive at a figure which is equally fair to all clubs and

gives a clear indication as to which club — or clubs can claim for themselves the honour of being the greatest side in Victorian soccer.

There have been several changes from last year's table. Footscray by virtue of an excellent season which saw them take out the Championship for the second time in three years, have moved up into the "four" at the expense of Ringwood City.

Both Ringwood and George Cross slip back one place in the table, but the percentage gap is so very narrow that next season a good performance from either club could see the order reversed.

Melbourne also jump up one place at the expense of Essendon Slavia whose percentage remained the same of course. A bad season allowed Moreland to take up a higher position than Lions and the Box Hill club also climbed one spot, this time at the expense of Geelong.

STATE LEAGUE RECORDS, 1958-1971

One new State League record was set during last season and two further records equalled.

Lions, in scoring only 10 goals during the season set an all-time low — a record previously held by Moreland who were relegated in 1962 having scored 16 goals.

Lions also equalled another record held by Moreland. That of only managing one single victory during a season.

South Melbourne joined George Cross and Melbourne as joint holders of the record for the most water-tight defence having only conceded 16 goals — one less than champions Footscray!

Least wins in a season	Lions—1	1971
Least goals for in a season	Lions—10	1971
Least goals against in a season	Sth. Melb. Hellas—16	1971
Most State League points	Juventus	387 pts.
Most State League wins	Juventus	161
Most State League draws	Footscray	70
Most State League defeats	Lions	126
Most State League goals for	Ringwood	626
Most State League goals against	Footscray	472

GOALS PER SEASON

Goals scored in each season have shown a remarkable fluctuation from a high of 551 in the 1959 season (Ringwood City Wilhelmina notched up 86 alone!) to a low of 369 in goal-starved 1968. Overall the figures follow the declining pattern of scoring seen all over the world, although it is possible to see a slight upcurve in the last two seasons.

1958	508	1965	408
1959	551	1966	373
1960	470	1967	451
1961	458	1968	369
1962	427	1969	422
1963	449	1970	418
1964	474	1971	361

Goals are the lifeblood of soccer. Yet all over the world one adage holds true. As standards rise the number of goals scored decreases.

Victoria is no exception as last season proved. The State League produced only 361 goals to record the lowest figure in the history

SHARPSHOOTERS, 1971

A grand total of 26 goals made Dan Zoraja the unchallenged champion goalscorer for the 1971 season.

Dan Zoraja was transferred to Footscray from OFK Belgrade in late 1968 as the Footscray club battled to avoid relegation. Dan quickly found his scoring form and the six goals he notched in his first nine games helped his club retain a State League berth.

In 1969 Dan was runner-up to Wim Spickerman (Ringwood) with a total of 18 League goals. Last season he scored 16 goals to finish third to Mike Clarey of Hakoah.

This year his 16 goals in the State League games were enough to ensure winning the HSV-7 goalscorer award as the leading scorer. In addition to scoring 16 League goals Zoraja scored four in the early season Ampol Cup, one in the Dockerty Cup, four in the State League Cup and one for Victoria. His grand total of 26 goals included 4 goals scored against Juventus and a hat-trick against Melbourne in the State League Cup at Olympic Park in the last Footscray game of the season.

Other leading scorers in 1971 were:—

THE GEORGE

STATE LEAGUE 1971

The Soccer Seventies shifted into top gear as Footscray got home in an exciting "photo-finish" to notch a second Premiership in three years.

In what was one of the most exciting seasons ever in the history of the State League, just how did your team go?

1st	Footscray J.U.S.T.	22	14	5	3	48	17	33 pts.
		Leading scorer: Dan Zoraja 17(g.)						

Collecting a massive 19 pts in the first half and scoring 28 goals in the process, "The Blues" brilliantly established themselves as the soccer power of 1971.

Some of the glamour rubbed off in the second half as first, George Cross grabbed a point, then lowly Box Hill and Fitzroy followed suit. Hellas went one better, becoming the first side to win at the Schintler ground and Juventus also nearly succeeded, only to be foiled by a last-minute goal by burly Marian Lopatic.

Dan Zoraja, who missed several late season games after an injury that nearly put him out of the game for good, was the league top-scorer with 17 goals and team-mate Branko Buljevic ran him a close second with 14.

Lopatic kept an iron grip on mid-field, also starring for Victoria. Young Jimmy Milisavljevic, a product of the local Footscray junior set-up established himself as first-team goalie and two other local boys also did well — Geoff Evans and Andy Kazi.

Footscray eased up when they could, but the effect was only to flatter the opposition. When the chips were down this team of all the talents had more than enough in hand to deserve the flag.

2nd	South Melbourne Hellas	22	12	8	2	41	16	32 pts.
		Leading scorer: Jimmy Armstrong 13(g.)						

South Melbourne packed the terraces with their fast, agile, open brand of soccer that showed to the best advantage every facet of this great game.

Hellas had a great season. Defeated only twice — less than Footscray, they conceded a mere 16 goals — least of any side in the league.

The only side to defeat Footscray at home they put the wraps on another great season. Ian Marshall was magnificent and Jimmy Pyrgolios won a richly deserved honour when he was awarded the Bill Fleming Medal as a result of a soccer-writers' poll.

Jimmy Armstrong ran Dan Zoraja close as leading goal-scorer and when he failed along came Ernie Ackerley and Tom Clarke to keep up the pressure.

South Melbourne Hellas have the potential to win the league next season. With Theo Marmaras back at the helm they could do it!

3rd	Croatia	22	11	5	6	33	21	27 pts.
		Leading scorers: Ibro Hadviadvic Ivan Turicar						5(g.)

On their day one of the most attractive and dangerous sides in the nation, Croatia often failed to live up to their highest standard and paid the penalty by slipping back in the title race.

Level pegging on points with Footscray at the half-way point they continued to issue a strong challenge right through until Round 15.

With some free scoring wins behind them they looked the biggest threat to Footscray, but the "magic" vanished and a series of barely average performances cost them all hope.

Two defeats and three draws was their total harvest from the last five rounds and the premiership has been both won and lost.

Australian internationals, Billy Vojtek and Jimmy MacKay are great stars of the Australian game. Hugh Gunn gives tireless service in inconspicuous fashion. On foundations like this Croatia can build themselves into a force for '72. But for the time being they must content themselves with dreaming of what might have been.

4th	Melbourne	22	11	3	7	32	23	27 pts.
		Leading scorers: Steve Bleskany Ray Pocock						6(g.)

Runners-up to Footscray at the half-way point Melbourne found points harder to come by as the season progressed. Competition toughened up and they themselves were ravaged by injury and transfer.

Bobby Dobbing broke a leg against Juventus and Ray Pocock and Istvan Keri were both transferred to Sydney. Coming after the close-season transfer of Billy Rogers and coach Rale Rasic much of the punch went from their attack.

The defence was as firm as ever with Fabian Juhasz and Joe Szabo strong and confident — both enjoying their best season.

Ken Kontra, newly appointed coach, blooded some promising youngsters, like Joe Palinkas and Andrew Segi. They show star promise and will make Melbourne a force to be reckoned with.

As the season came to an end Melbourne managed to hold on to a place in the four. Grimly and without glamour — but hold on they did.

5th	Ringwood City	22	10	4	8	40	28	24 pts.
		Leading scorer: Peter Ollerton						11(g.)

Surging to a magnificent second half recovery, Ringwood banged home a mighty 31 goals and collected 18 league points in the process to establish themselves as the "form" team of the league. Rudi Muskee, the former Dutch Ere Division player proved the catalyst, quickly teaming up with Keith Cockburn and Pete Ollerton to make a formidable trio of strikers.

Then to cement an already strong mid-field along came Bobby Collins, for what was to prove an all-too-brief stay. Arguably the greatest "name" ever to stride the Melbourne scene.

In Round 12 against Juventus, veteran Terry Luckhurst scored Ringwood's 600th State League goal to help keep the Jubilee Park outfit firmly out front as the greatest goal-scoring machine in the history of the League.

6th	George Cross	22	8	8	6	31	37	24 pts.
		Leading scorer: John Gardiner						7(g.)

Ravaged by a player rebellion just before the start of the season George Cross recovered well.

In a mid-season burst, they managed good wins over Fitzroy, Box Hill and Hakoah; wins that took them clear of the bottom group.

John Gardiner and Kevin Walker, strong and vital were always a danger, but the talent was spread too thin for this improving side to maintain a strong challenge. But what followed surprised everybody.

No matter what the standard of the opposition, George Cross matched them, but could not beat them and proceeded to write their name into the record books with a run of five successive draws and eventually to draw eight of the last 11 games.

7th	Polonia	22	9	4	9	21	26	22 pts.
		Leading scorer: Henry Siwka						5(g.)

This very young and talented side set a hot pace right from the start of the League season. If they later found it impossible to maintain a real challenge that should not hide their obvious future potential.

In Henry Siwka they have one of the most dangerous strikers in the League but it was up-front that the most apparent gaps in their strength lay. Twenty-one goals from 22 games is not premiership shooting!

Up-coming young stars Ron Horfiniak and Marian Jaworski will be a force in the League soon and Polonia will grow in stature with them.

Few teams better reflect the growing strength of local boys better and few teams will benefit more from this foresight in the years to come.

8th	Juventus	22	8	5	9	42	38	21 pts.
		Leading scorers: Dino DiMarchi 9(g.) Bryan Thomson						

Early season wins over Ringwood and Lions plus a good draw with South Melbourne Hellas set Juventus on the 1971 Premiership trail — heading for a second successive triumph.

A stinging 5-1 defeat at the hands of Croatia was quickly brushed aside as the Zebras soundly defeated both Hakoah and Fitzroy. The tide seemed set fair.

But a suspect defence in the end proved too vulnerable. Defeats by Footscray and Melbourne rubbed home a bitter lesson. The glamour side of 1970 had gone forever.

Well served by forwards the Juventus goal tally mounted steadily and helped them maintain a mid-table position that might otherwise have been in jeopardy.

Dino Di Marchi, long-serving and much-liked local boy, played his 300th game with the club against Polonia. One of the brighter spots in a season best forgotten by this great side.

9th	Hakoah	22	9	2	11	29	30	20 pts.
		Leading scorer: Mike Clarey 11(g.)						

A youngish side, unsure, uncertain! One week they blossomed forth by beating the redoubtable Polonia 6-0. Next week they took a thrashing from George Cross.

Melbourne, Ringwood and Hellas each beat them in successive weeks. They replied by beating Lions, Juventus and Polonia!

This strong end-of-season recovery almost ensured a place in the top eight, but an unexpected last round defeat at Wembley Park robbed them of a place in the night soccer.

Mike Clarey, that strongest of strikers, has now left the club. With his ace shooting he was a vital force in the League. Hakoah will greatly miss him and much of their future next season will depend on finding a replacement.

10th	Box Hill	22	5	6	11	16	34	16 pts.
		Leading scorer: Steve Atkins 6(g.)						

Newly promoted Box Hill burst on the State League like a bolt from the blue. The cream of the League were glad to creep away from Wembley Park with scalp intact.

If Box Hill slipped after a great start they eventually recovered to stage a great finish that saw both Polonia and Hakoah defeated.

This very satisfying first season back in the League should give them confidence in the future. With good recruiting they will grow to be a force of some power.

11th	Fitzroy United	22	4	5	13	18	41	13 pts.
		Lead'g scorer: Jimmy Mangopolous 3(g.)						

Five straight defeats set the scene for disaster right from the start of the season. By half-way point only four points had been harvested and prospects looked very grim.

Then came the great weeks. Fitzroy matched the mighty Footscray ball for ball and went on to beat Melbourne and Juventus before drawing with South Melbourne Hellas. Not bad for a team in danger of relegation!

12th	Lions	22	1	3	17	10	50	5 pts.
		Leading scorer: John Livingstone 3(g.)						

Relegation, a virtual certainty all season is now a fact! A ten-year spell in the State League has finished.

Lions bow out of the premier league after a dismal season that saw them battle for a full 873 minutes before Eddie Butler scored their first goal. Fifteen games went by before the first win could be recorded. The final game proved to be the biggest single defeat of the season in the entire league.

That Lions never gave up trying is to their credit, particularly when hope disappeared so very early in the piece.

DOCKERTY CUP 1971

Juventus swept their way to a second successive Dockerty Cup win with a fine late rally in extra time. League Champions Footscray found the two strikers Bryan Thomson and Dino Di Marchi hard to hold and bowed before the outstanding pressure.

Keith Lakey, Bonfieni and Pat Della Rocca had a field day in the Juventus triumph. Without a fine performance from Jimmy Milisavljevic in the Footscray goal the score would have been higher and the result decided well before full time.

Sunshine City had yet another fine run in this year's Cup making the Semi-Final for the second year running before going out narrowly to Footscray. Sunshine scored a mammoth 24 goals in their run to the final although two will not count in the record book!

A protest was upheld in the Preliminary 3rd Round game v. Elwood Austria which Sunshine had won 2-0. They promptly won the replay 4-0!

Polonia and Box Hill had a tremendous battle for the right to go through to the Quarter Final, Polonia eventually winning the 3rd replay by the odd goal in three.

Dandenong City can count themselves lucky. Twice drawing with Western Suburbs they were eventually awarded the game and so became the only team in the competition to go through to the next round without actually winning.

Newborough put up the best performance of the Country sides which joined the competition in the 4th Round. Narrowly going down to the aggressive Keilor City they fared much better than Hamlyn Rangers and Geelong City both of whom were soundly defeated by their 1st Division rivals.

Melbourne were knocked out as usual in the very first Main Round. Melbourne, winners of the Australian Cup in 1967, have never won a single round in the Dockerty Cup. Perhaps somebody has "pointed the bone" at them.

Veteran Cup-fighters Essendon put up their usual good performance in this year's Cup, showing that loss of State League status has not blunted their traditional Cup spirit. As Port Melbourne Slavia they won this oldest of all Australian Cups in 1964, 1965 and 1967.

VICTORIA IN FIRST MAJOR WIN

The afternoon of Sunday, July 11th will go down as a proud moment in the history of Victorian soccer. On that day Victoria won for the first time ever against a visiting English professional side when they defeated the Welsh F.A. XI by two goals to one.

This fast entertaining game kept a good crowd on their toes right from the kick-off. Billy Vojtek put Victoria in the lead with a great goal after 29 minutes, but to the dismay of the spectators young Davies equalised for Wales just six minutes later.

The result was in doubt right up to the 82-minute mark when State League top-scorer Dan Zoraja scored in typical opportunistic fashion to win the game for the State side.

Results over the year were mixed. Great performances like that against Wales were contrasted with poor games as when South Australia won comfortably in the first of the two games between the States. But on balance the good outweighed the bad and this fact was further highlighted in two critical games.

Victoria held the famous Moscow Dynamoes to a 0-0 draw in February — in full measure sweet revenge for the 7-1 thrashing handed out by the visiting Russian champions the previous year. If the game against the visiting English F.A. team brought defeat for the State side, nobody will condemn the performance the boys put up.

Johnny Wallace became the first Australian player to score against the visitors and the game flowed fast and furiously with plenty of good open soccer from both teams. It contrasted greatly with the tight defence pattern adopted by other local sides — effective no doubt but soul-destroying to watch.

METROPOLITAN LEAGUE BEST AND FAIREST MEDAL

Jim Dale, of Heidelberg Soccer Club, won, for the second year running, the Metropolitan League Medal, a noteworthy achievement when it is considered that the Medal has only been in existence for two years.

He has played for Heidelberg since arriving in Australia from Scotland 12 years ago. In Scotland he played semi-professional for Irvine Victoria and Dregghorn Juniors. Whilst serving in the Royal Air Force he was selected for the R.A.F. Soccer XI.

For the past four years he has won his club's Best and Fairest Medal.

Besides being an active player he has held key administrative positions in his club, and is at present its Treasurer.

THE ROTHMANS GOLD MEDAL FOR THE BEST AND FAIREST, 1971

John Gardiner of George Cross S.C. won the inaugural Rothmans Gold Medal for 1971, which was awarded at a very impressive evening held at the Rothmans Centre in Port Melbourne.

Voting for the award was conducted by the State League referees who assessed the three "Best and Fairest" players in each game during the season. As might be expected voting was very close and was not determined until the last votes were counted.

John Gardiner has long been a key member of the George Cross side and together with his team colleague Kevin Walker was mainly responsible for the improved performances by his club after a very shaky start to the season.

John missed several early games and his feat in winning this important award was all the more creditable.

Jim McCracken of Box Hill came second in the voting, with Hugh Murney of Hakoah and Ian Marshall of South Melbourne Hellas equal in third place.

The presentation of the medal to John Gardiner was made by The Hon. G. O. Reid, Q.C., M.P., Attorney-General for Victoria.
